Validation Failure Reason

REJECTION: Unsigned articles - no legal standing

All subscriber signatures are missing and the document is undated. Articles of Association require signatures from all subscribers and an independent witness to have legal effect under the Companies Act 2006. This document cannot be accepted for entity KYC purposes. Additionally, the articles may not reflect the current company constitution if any amendments were adopted post-incorporation.

Validation Status: REJECTED - Unsigned, undated, missing witness
